

A SMILE WHERE THERE WAS NONE

A PRACTICAL APPROACH TO FIXED FULL-ARCH IMPLANT DENTISTRY

Christian Yaste, DDS
Cosmetic and Implant Dentist
Private Practice, Charlotte, North Carolina

Presentation

In this book Dr. Yaste shares insights from over 400 successful fixed full-arch guided implant cases. For the last 7 years Dr. Yaste has tested multiple full-arch stackable surgical guide systems and performed hundreds of guided surgeries and conversions with them. The surgical and prosthetic workflows presented in this book will give you, as a clinician, a complete step-by-step solution for providing successful fixed full-arch implant rehabilitation in your own practice.
